

## **Promoting health and hygiene**

Little Explorers  
Pre-School

### **Hot weather policy**

#### **Policy statement**

**In our setting we aim for children to access the outdoors whatever the weather. To ensure that during hot weather, children are protected from the sun's harmful rays we have procedures in place..**

#### **Procedures**

- [ *Parents are requested to provide sunhats, suitable clothing and sun cream for their child*
- [ *Parents are requested to apply sun cream to their child before arrival*
- [ *Staff will re-apply at stated times when a child is attending all day, to protect them from sun burn. This will be applied to arms, neck, legs and face*
- [ *Parents consent to the application of sun cream being administered on their registration forms*
- [ *Where possible shady areas are provided (parasols and gazebo)*
- [ *Time may be limited outside in extreme hot weather*

This policy was adopted at a meeting of

Little Explorers Pre-School
